Oxygen (Gospel Music & Arts Concert):

Since moving to our new home at 500 Bride Private, only one gospel concert

has been hosted. Remember "Gospel Jam?" Well, after a two year break, we are back. The scale is smaller than what we are used to, but this is rebuild promises to increase in years to come.

For now, this event will feature both music and arts, singing, instrumentals, dance and acting. More importantly, it will feature the preaching of the gospel via our own dynamic youth pastor, Caleb Grant. Oxygen refreshes and revives. It helps to regenerate. It is the key to any revival. Help us promote this event. It makes no sense to develop such plans and fail to invite sinners. If you believe that God's eternal judgement will be poured on those who do not know or reject the gospel, then be busy persuading your friends and colleagues to attend, **Oxygen:**

BMI Abroad

Nepal: Pastor Chiran reports that the land and building they have been trying to purchase has been reduced from \$5,000 to \$3,500. They have made a downpayment of \$500 and are expecting God to meet their need to complete the deal. Please pray for them. Pastor Chiran also reports that his congregation has increased to seven (7). We expect them to grow to ten (10) at which time they expect me to travel to perform the baptisms.

Here is a shot of the building and its property. Pray and give, believing God will complete what he has begun in this fruitful ministry. Keep up the good work Pastor Chiran!
